To: Mack Truck, Inc.

From: Lehigh Valley International Airport

Exit the airport and bear right onto Airport Road South. Take Route 22 West to Route 309 South to exit 57 (Lehigh Street). At the exit ramp, turn left onto Lehigh Street. At the second traffic light, turn right onto Downyflake Lane. At the second light, turn left onto Mack Boulevard (Mack World Headquarters will now be on your left-hand side). Turn left into the first driveway, make another immediate left and park in the visitor lot in the front of the building. (Approximate travel time is 25 minutes.)

To: Mack Truck, Inc.

From: New York City

Take the Lincoln Tunnel (if in mid-town Manhattan) or the Holland Tunnel (if in lower Manhattan) to the New Jersey Turnpike South to Route 78 West (exit 14). Continue on Route 78; after the toll stop to enter Pennsylvania, continue to exit 57 (Lehigh Street). At the exit ramp, turn right onto Lehigh Street. At the second traffic light, turn right onto Downyflake Lane. At the second light, turn left onto Mack Boulevard (Mack World Headquarters will now be on your left-hand side). Turn left into the first driveway, make another immediate left and park in the visitor lot in the front of the building. (Approximate travel time is 2 hours.)
